Instructions: Student will select classes to tally 8 credits/classes for the year based on grade level, graduation requirements, and course sequencing. In addition to the 8 credits/classes, 3 alternate selections must be listed in case the classes you chose are not available. You may only select classes from the list of courses offered for the registration year

10th Graders will be assigned to the following classes:

1. English II or Honors English II _____
2. Math: _____
3. Biology
4. Personal Finance/PE
5. Spanish I
6. Spanish II
7. Elective: _____
8. Elective: _____

ALTERNATES (You MUST pick 3 alternate electives in case of scheduling conflicts.)

1. Elective: _____
2. Elective: _____
3. Elective: _____

Parent _____ Parent signature _____
Parent cell _____ Parent email _____

An important note to parents: Please choose classes carefully paying particular attention to the additional requirements for Advanced Placement and Honors courses. After completion of schedules, corrections or adjustments will only be made as necessary and as the schedule allows. Students who fail to complete the registration process will be registered last. Their electives will be assigned to them as space is available, and they will have no choice in courses selected for them.
