***How should students access information for your class? Which tab will it be posted under? Will information be sent through Class Dojo, Remind or is everything posted in Google Classroom or Teams?***

***On Teams, in their class, under Posts, and Files***

***Where should assignments be turned in? Should they send an email? Post a picture in the chat? Put it in their ClassNotebook? Attach it to the assignment?***

***They can post in chat or email me at walkerb6@mauryk12.org***

***Is there any other information student should know about your class? Will they be expected to do work in No Red Ink, SAVVAS, Icev, Edgenuity, etc.***

***Not at this time.***

***What are your classroom expectations for remote students? Do they have to have their microphone on the entire time? Do they have to have their camera on? Must they respond when called on? Must they either make a comment or raise their hand at least once every 10 minutes? When your class has a break do they have to turn their cameras on so you can make sure they are actually in the room?***

***They must remote into class each day and turn their cameras on during a break. At the beginning of class they must have cameras on.***
