Class Meeting Time

How should students access information for your class?

All assignments will be made in Teams under the assignment tab. All information will be shared in the post tab of teams

Where should assignments be turned in?

All of the assignments will be submitted automatically as they are completed.

Is there any other information student should know about your class?

All assignments will be completed in ICEV. The assignments need to be downloaded from the interactive section.

What are your classroom expectations for remote students?

Remote students will message me every day by noon. They will also message me before 2:00 PM to ask any questions about their course. Assignments will be completed independently in ICEV.
