- **2nd Block Algebra 1 meets at 9:13**
- **Skinny Block Algebra 1 meets at 10:41**
- **3rd Block Bridge Math meets at 11:29**
- **4th Block Algebra 1 meets at 1:20**

***How should students access information for your class?
Information and assignments will be given in Teams***

***Where should assignments be turned in?
Assignments can be attached in a chat or turned into assignments***

***Is there any other information student should know about your class?
Some individual lessons will likely be assigned in Edgenuity.***

What are your classroom expectations for remote students?

Remote students need to actively participate and respond when called on. Camaras are not required to be on always, but will be required sometimes and will always be required during a test or quiz.
