1st Block Credit Recovery

Class Meeting begins in TEAMS at 7:45. Students must sign into the meeting every day. They are not required to have their cameras or microphones on unless they have a question.

Students should continue working on their assigned edgenuity. If they need a test unlocked, I will be available to do that and can review the test before submission. I can be reached through Chat in TEAMS throughout the day or in the Meeting during class time. If a student needs to take a Cumulative Exam, they must come to the school building to take it.

1st Block Service Learning

Class Meeting begins in TEAMS at 8:15. Students must sign into the meeting every day. They are not required to have their cameras or microphones on unless they have a question.

An assignment will be coming in edgenuity related to careers. This will be your assignment any time we pivot to remote or you are out due to Covid protocol. Your grade on this assignment will count as your exam grade. There will be a new assignment each quarter.

1st Block Spanish II

You are not required to sign into a daily TEAMS meeting for this class. You will need to work on Spanish II in edgenuity. If you have any problems, contact your assigned teacher at the Virtual Academy.

2nd Block and Skinny Block Service Learning

Class Meeting being in TEAMS at 9:13 for 2nd block and 10:41 for Skinny Block. Students must sign into the meeting every day. They are not required to have their cameras or microphones on unless they have a question.

An assignment will be coming in edgenuity related to careers. This will be your assignment any time we pivot to remote or you are out due to Covid protocol. Your grade on this assignment will count as your exam grade. There will be a new assignment each quarter.

3rd Block Chemistry

Class Meeting begins in TEAMS at 11:29. Students must sign into the meeting every day. They are not required to have their cameras or microphones on unless they have a question or are asked to turn them on.

Lecture will continue to take place as it has all year. My screen will be shared so students can see the material. Students should submit Assignments in the Assignment tab. If work is given in the Class Notebook, they can either write on the sheet in the notebook online and it will autosave or they can write on notebook paper and send a picture through Chat. Students must let me know through Chat if they are leaving the work in their Class Notebook so I will know where to look for it. Work that is done in the physical notebook is usually not submitted and is only used for instruction and future reference.

If you would like to pick up your physical notebook before the return to school date, please let

me know and I will have it ready for you in the front office. Students who are permanently remote are required to come in and pick up their notebooks.

4th block Chemistry

Class Meeting begins in TEAMS at 1:20. Students must sign into the meeting every day. They are not required to have their cameras or microphones on unless they have a question or are asked to turn them on.

Lecture will continue to take place as it has all year. My screen will be shared so students can see the material. Students should submit Assignments in the Assignment tab. If work is given in the Class Notebook, they can either write on the sheet in the notebook online and it will autosave or they can write on notebook paper and send a picture through Chat. Students must let me know through Chat if they are leaving the work in their Class Notebook so I will know where to look for it. Work that is done in the physical notebook is usually not submitted and is only used for instruction and future reference.
