

Second Grade

Ms. Heather hhardison@mauryk12.org

Mrs. Hendrix rhendrix@mauryk12.org

Mrs. Parks lparks@mauryk12.org

Ms. Skylar vasquez@mauryk12.org

How should students access information for your class?

Second grade students will pick up their packet work each Friday at the old front entrance. They will also return the previous week's completed packet at this time. The 2nd grade teachers will continue to communicate with parents through the Class Dojo app. Teachers will create video lessons and post them in a shared Google Classroom. 2nd grade teachers will send videos to parents with log in instructions. Parents will need their child's ClassLink account information that was sent home the first week of school.

Where should assignments be turned in?

Packets are turned in every Friday when new packets are picked up. The previous week's work will be included with teacher feedback. Parents should use this feedback to review/reteach previous skills.

Is there any other information student should know about your class?

Mrs. Sutton will share music assignments through the Quaver app in ClassLink. Students will practice their math facts with the website www.xtramath.com and teachers may also use www.getepic.com for extra reading practice. Some video lessons may be assigned from www.brainpopjr.com the username is CUS and the password is brainpop.

What are your classroom expectations for remote students?

Expectations are for students to complete the packets to the best of their ability with guidance as needed. Any test given in the packet is to be completed independently. Packets must be picked up and turned in on designated date. Late pick up/turn ins will count as absences.
