Career Success

10:41 – 11:16

Curriculum can be found at www.pltw.org

- Students have all been assigned their username and passwords
Students should log in using TEAMS every day during this class time.
- Students should remain logged in and available to turn on their video and audio when necessary.

I will post assignment information in TEAMS under the “Assignments” Tab in most cases.

I will also post information using the “chat” tab for individuals and/or the entire class.

Assignments should be turned in using the “Class Notebook” tab in the students’ personal notebook when possible.

- It may be necessary to email some assignments directly to me.

Students may be assigned modules using iCEV or other websites.
